OUR RESPONSE TO THE COVID-19 PANDEMIC

Dear Valued Customer,

At Dustbusters Cleaning, we're well known for our friendly and reliable service. While quality cleaning and satisfied customers is always our goal, currently we are extremely mindful of the world-wide focus on COVID-19, Dustbusters Cleaning takes this responsibility very seriously. Your safety, the state of cleanliness in your business and home and our safety are top priority. Being family owned we are personally responsible for all aspects of ongoing cleaning services along with our long term & trusted staff whom also endeavor to service your needs.

In order to best serve you and maintain everyone's safety, we are taking extra precautions while cleaning. All of our microfiber cleaning cloths and mop heads are laundered daily in commercial grade detergents and we use fresh cloths and mop heads for each location. All of our cleaning equipment is sprayed and disinfected after each use (ex: brooms, dustpans vacuum). We are wearing high grade disposable gloves for all aspects of cleaning now as opposed to using them only in bathroom areas. We also provide protective shoe coverings and are fully equipped with N95 masks if required as an added precaution while on location.

We request that any current clients wishing to suspend services contact us and any current clients wishing to continue services adhere to social distancing guidelines by remaining in a separate room of your house or leaving until we are done. We currently have limited space available for NEW weekly, bi weekly or monthly clients at this time but will remain available for essential services, offices and move in or outs. We are monitoring the situation very carefully therefore services may change should we deem it necessary and resume when agreed.

We are committed to keeping all of our clients' homes & offices clean and disinfected while exercising care, caution and maintaining the highest preventative measures until the situation passes. If you have any questions or concerns feel free to contact us at your convenience.

Kind Regards

Owner's
Dustbusters Cleaning
